Dear Parents/Guardians,

On Thursday, February 2<sup>nd</sup> 2023- Students of Minto Memorial High School who would like to will be partaking in a field trip to Crabbe Mountain to participate in a day full of downhill skiing or snowboarding. We plan to leave from Minto Memorial High School at 8:30am and return at 4:30pm. Students should have a: warm coat, mittens/gloves, waterproof snow pants, goggles/sunglasses, and dress in layers. Students will be given mandatory helmets from the hill.

The cost of this field trip is \$45, this includes transportation, rental use, 2-hour lesson, snacks and a lift ticket. At the end of the lessons, instructors will assess the students' abilities. Students will then be given a sticker identifying which trails they can go down. Students taking part in the Ski in School program are only allowed on blue or green trails during their visit. No trees, Terrain Park or Black Diamond trails will be allowed.

Exposing students to skiing or snowboarding is a great way to promote an active lifestyle during the winter months! Would you kindly sign below and return this form to the school and the waiver for Crabbe Mountain.

Thank you,

Lindsay Glenn
